INSPECTOR INITIALS _____

A temporary Joint Pilot and Engineer license has been issued for the operation of a public vessel upon the navigable waters of New York State in accordance with the N.Y.S. Navigation law and subject to the conditions set forth below.

This is to certify that _____ has met the requirements and passed the necessary examinations for the Joint Pilot and Engineer license and is hereby authorized to act as such on public vessels required to carry a Joint Pilot & Engineer. *This temporary license shall expire and become void thirty days from the date of issue.*

Date of Issue

Inspector's Signature

REMARKS SECTION

Use this section to explain or provide amplifying information to items checked on the front of this form. This section should also be used to provide any additional information you feel will better describe your background, education, or experience. Attach additional pages for a more through explanation.

INSTRUCTIONS

- Company:** Enter the name of the person or organization that you will be working for. If you are self-employed enter "Self" or the name of your boating company.
- Name and Home Address:** Provide your legal name; this will appear on your license.
- Date of Birth** Enter two digits each for the month, date, and year of your birth. For example, a birth date of August 2, 1961 would be entered as: 08 02 61.
- Home Address:** The address you provide should be your home address so that you may be contacted with information regarding your license in the future.
- Character:** A yes answer to any of these questions requires a detailed explanation. A yes answer does not necessarily mean that you will be denied a license. The inspector may require additional information and/or documentation to be certain that the nature of the problem or conviction will not create a risk to passengers on your vessel or other vessels on the water. Failure to answer these questions constitutes grounds for denial or revocation of a license.
- Type of license:** Check the box for the type of license desired. If you check Engineer, indicate whether you are seeking a license for steam or motor vessels. If you are seeking a waiver of any of the testing requirements based on a U.S. Coast Guard License this should be fully explained in the remarks section and attach copies of supporting documentation.
- Experience:** Check each type of vessel that you have operated yourself, you can check more than one vessel.
Enter an estimate of the number of days you may have operated a vessel yourself. Include motor and manually propelled boat experience. If you have no experience operating a boat by yourself you will not be able to take the license exam.
- SIGN AND DATE THE APPLICATION!!** The application will not be accepted without a signature and date

GENERAL INFORMATION

Public Vessel Operator's Study Guide- This manual contains all of the information necessary to prepare for the license examination and to prepare a vessel for inspection. Before arranging to take the test be sure you have obtained a study guide. Most test failures result from failing to adequately prepare for the test. If you fail the test once, you will be permitted to take it again in about two weeks. If you fail the test a second time, you will not be permitted to take the test again and will have to reapply the following year.
Fees- The fee for an original license is \$20 and is payable upon passing the test. A license will not be issued unless the fee is paid. Payment by check or money order only. The license must be renewed annually either by mail or in person along with a \$10 fee.
